

**Ridgeview Physical Therapy & Wellness Center**  
**Treatment Contract & NoShow/Cancellation Policy**

In order to ensure that you, the Patient, get the maximum benefit from your Therapy program, it is essential that you attend all scheduled sessions. Your Therapist and the staff at Ridgeview PT & Wellness will do all that they can to help you through your treatment program. We see the value in the Therapist and Patient working together toward a complete and successful recovery.

Ridgeview PT & Wellness Center requires at least 24 hour notification if you are unable to attend your scheduled therapy session. If a 24-hour notification is not provided a **\$25.00 fee will be billed to the patient** (not the insurance company), payable at the next appointment. These cases will be weighed on an individual basis and treatment appropriately. To protect our providers and patients, if you are sick please call to cancel your appointment even if you cannot give a 24-hour notice. **If three consecutive sessions are missed without cancellation notification, all existing appointments will be canceled.**

Thank you for your cooperation,

I, (print name) \_\_\_\_\_ agree to complete the physical therapy program as ordered by my physician and/or therapist. I understand there is a 24-hour cancellation policy for Physical Therapy.
